We are pleased to inform you that the registration for the BPoC trans \* inter \* two spirit hiking trip to Italy from now until 15.2. 2019 is possible. Please read the information given here in peace. If you decide to participate, please send us an e-mail to the following address: b poc-hiking (at) seitenwechsel-berlin.de. Please let us know what your name is (passport name later necessary for airline ticket, if no DGTI badge exists), if you can take the own contribution and if you have a driving license. You are welcome to copy the ready-made phrases (below). If you have any question let us know.

We tried to make the conditions as easy as possible. However, to ensure your safety and enjoyment as well as meet the requirements of the Berlin Senate, the following points must be met.

- I am min. 18 years old
- I have a Berlin registration address
- I have time between 2.9.-16.9.2019
- Own contribution of 100 € / 50 € (We find a solution! / please register anyway, if you do not have it) \*
- I can walk for 5-8 hours, several days in a row
- I can be in a group
- I have the willingness to take responsibility in a group, for the group \*\*
- I have sturdy shoes / walking shoes and a small backpack for day hikes \*\*\*
- I can participate in the first group meeting (24.2.2019)
- I can participate in a first aid course (date 30.3./31.3.2019) \*\*\*\*
- I can take part in a test walk (7.4.2019) \*\*\*\*\*
- I can attend the travel preparation meeting (4.8.2019)

Since this is supposed to be a journey where we get to know each other, empower ourselves and grow together into a group, it is important that you can participate in the given dates. Please consider whether you have the time and desire to get involved in this group process. There are 10 free places. In total, 12 people will travel. There will be two people who will take on the responsibility of travel and hiking. If

more than 10 people register, we will open a waiting list. People in places 11-15 need to take part in the first aid course, so that if you travel you can also help on the journey in case of accidents. In addition, for the people on the first waiting list places 11-15, also the first get-together meeting and the test hike are obligatory.

**Destination:** (Benetheus close to Gressoney):

\* The state of Berlin expects a personal contribution from each participating person. If projects are funded by public authorities, it is usually necessary to raise a share of their own so that the entire project can take place. The own contribution for this trip is 100 euros, 50 euros for refugees. If you can not afford this amount, please log in anyway. We will find a solution!!!!

So that you know what is covered by the Senate, we explain here, what is covered per person.

<i>Flight: ca.</i>	150,00
<i>Car: ca.</i>	170,00
<i>Food:</i>	180,00
Equipment (hiking poles, first aid kit, etc.):	86,50
First aid course fees:	35,00
Personnel costs (2 persons tour guide and preparation):	299,20
Administrative costs	90,00
Accommodation:	360,00
<i>Summe in Euro</i>	1370,70

People with a net income of more than € 1840 must pay for the travel costs (flight and car) in the amount of € 320, so they receive € 1050 € from the state.

\*\* The journey follows the D.I.T. (Do-It-Together) Principle, we have a whole house for us, but we have to organize ourselves. That means we have to shop, cook, clean, take care of each other, plan the next day, etc.

\*\*\* We will move between 1600m and 3000m altitude. For this it is absolutely necessary to wear sturdy footwear that supports and holds the feet. If you are not in possession of such shoes and have no money for it, apply anyway. We find a solution. Tip: Decathlon offers reasonably priced hiking boots (example: [https://www.decathlon.de/p/trekkingschuhe-trek-100-herren/\\_/R-p-14011?mc=8319097&c=GRAU](https://www.decathlon.de/p/trekkingschuhe-trek-100-herren/_/R-p-14011?mc=8319097&c=GRAU))

You will also need a small backpack to carry food and water on the hikes.

\*\*\*\* The first aid course is expected to take place on one of the days only. We will inform you as soon as possible!

\*\*\*\*\* On 7.4.2019 there will be a test walk in Berlin under almost realistic conditions to see how the group harmonizes. Only then will definitive determine who can ride. This is necessary to maximize the safety of all participants on the journey.
